

August Newsletter

R.J. Brubaker is continuing this year's rotating painting of doors and trim. Units affected have been notified with the dates that the work was to be completed. The board has been very satisfied with the work done so far.

As a reminder, maintenance and construction requests can be completed online at the Crown Pointe appfolio site. It is very important that requests include your phone number, your email, a permit number (if applicable), the type of construction or improvements applying for, and a sketch or plan of the existing and proposed construction or improvements. Including this information speeds the review and response time.

Mark your calendars to attend this year's annual meeting on October 19. The meeting will be held virtually and will include the nomination and election of two board members. **PLEASE CONSIDER**

RUNNING FOR ONE OF THESE SEATS. You will work with your neighbors to help resolve important issues that affect all of us, while taking a proactive role in the health and well-being of **OUR COMMUNITY**. Meetings are virtual and are held monthly.

Let's continue to look out for each other. Be vigilant: lock your cars and home; keep outside lights on, especially when you're away from home; and PLEASE call 911, then notify Century 21, if you see any suspicious behavior.

As always, let's continue to pitch in to keep Crown Pointe safe and beautiful!
